

The Octopod was fermented in small lots and aged for 21 months in French and American oak barrels. The steep sloped Furlong Estates Vineyard, in the Alexander Valley contains a mixture of several Syrah clones producing small, intensely flavored grapes. This well-balanced Syrah is dark and brooding with ripe fruit flavors, a hint of spice and a long, complex finish. The Octopod rises from the depths and grabs hold of you, dragging you back for more! Enjoy over the next five to seven years.
